

Expression of Interests of Candidate Judges: letters issued

🕒 Published: Thursday, 11 September 2014 09:15

For those that expressed an interest in becoming a technical or legal judge of the Unified Patent Court letters have now been issued, by email, from the Chairman of the Preparatory Committee.

If you have not received a response could you please get in touch with the [Secretariat](#); before doing so could you check all your e-folders including junk mail.

There is no need to acknowledge receipt of the communication.

The timetable for the remainder of this work will recover with the first training activity taking place over the next few months. Individuals will be contacted separately about the specific training programme.
