Today, 29 June 2016, a protocol on privileges and immunities to the UPC Agreement has been signed by representatives of member states in the margins of COREPER I meeting in Brussels.

The protocol means the Unified Patent Court will, using a common approach, benefit from privileges and immunities which are necessary for the exercise of its functions.

This is another positive step towards bringing the Unified Patent Court into operation. A copy of the protocol is available [here](#) ([/sites/default/files/ppi\\_final\\_ii\\_en\\_clean.pdf](/sites/default/files/ppi_final_ii_en_clean.pdf)).
