

A message from the Preparatory Committee Chair, Alexander Ramsay – March 2020

05 March 2020

Following the UK government's decision not to pursue remaining in the Unified Patent Court and in the Unitary Patent, work on the implementation of the Unified Patent Court continues. Once Germany will be in a position to ratify the UPC Agreement and the Protocol on the Provisional Application, arrangements will be made to deal with the practical implications of the UK's departure. These will be published in due course.
